

SLIDING DOOR SYSTEMS: INSTALLATION INSTRUCTIONS ROD HANDLE FOR S1500 and S300/S3000 (S42, BI-FOLD + AIR)

V2017.1

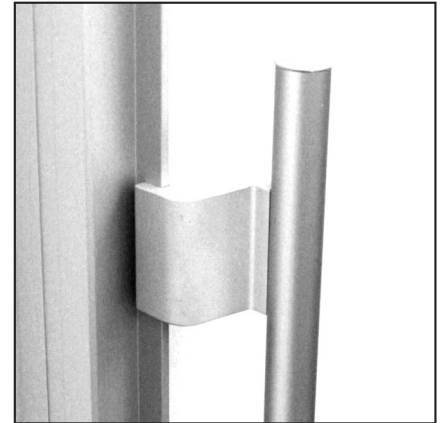

ACCESSORIES:

1_ Rod handle for S1500

2_ Rod handle for S3000

3_ ADA handle for S3000

ASSEMBLY INSTRUCTIONS:

No assembly necessary. Handles will ship with brackets attached unless otherwise requested.

INSTALLATION INSTRUCTIONS:

- 1_ Place bracket with rod handle against vertical profile and tighten the set screws, carefully with the allen wrench, 2mm.
- 2_ The handle can be attached on both sides, except when door overlaps wall, corner or another door.
- 3_ Occasional re-tightning of the setscrews may be needed, over time. Loctite may be used for additional strength.
